

## Begin With An Interest...

What would you like to explore? Keep it open ended.

What is personally interesting to you? Why do you care about this?

### What do you want to know?

Who might be talking, writing, or thinking about this? How are people talking about this? What is important about this?

What do you know now? What do you want to know? What is confusing or unclear? What gaps do you need to fill?

.What are some key ideas or key words?

Where could you start exploring?

## Today's Research Log

What did you discover about your interest?

Additional relevant ideas and terms found during research and discussion with teacher.

Where did you search? Be honest, be complete. Trace your research map.
